

**CITY OF NOVATO  
PUBLIC WORKSHOP**

**DELONG AVENUE AND IGNACIO BOULEVARD  
HIGHWAY INTERCHANGES RESURFACING  
CIP Project No. 13-003**

You are invited to a public workshop on Thursday, March 17, 2016 at 7:00 PM at City Administrative Offices (Womack Conference Room, 2<sup>nd</sup> floor), 922 Machin Avenue, Novato. The purpose of the workshop purpose of this notice is to provide an opportunity for property owners and residents in the vicinity of the project, to provide feedback on the proposed DeLong Avenue and Ignacio Boulevard Interchanges Resurfacing project.

Project Locations: Approaches at the De Long Avenue and Ignacio Boulevard US 101 interchanges. The Ignacio Boulevard repaving will extend to the Alameda Del Prado intersection and along Enfrente Drive to the US101SB Off ramp.

Description of Project: Primary focus of the work is to repair / repave the bridge deck, street and sidewalk approaches with appropriate conforms to enhance vehicular, pedestrian and bicyclist safety. Additional improvements include upgrading ADA facilities to current guidelines including ramps, pedestrian push buttons and audible pedestrian signals, replace existing traffic signal detection, and repave within the limits described above.

This project is scheduled for construction in summer 2016. The project plans will be presented to City Council for approval prior to bid advertisement in spring 2016.

If you need additional information about this very important project, please contact Petr Skala, Project Engineer, at (415) 899-8237 or [pskala@novato.org](mailto:pskala@novato.org).
