

**Notice to City of Novato Businesses and Residents affected by the
“Olive Avenue Class-II Bike Lanes - HSIP
Olive Avenue From Samrose Drive to City Limits”**

Team Ghilotti, Inc. (TGI) has contracted with the City of Novato Department of Public Works and Utilities to perform the Olive Avenue Class II Bike Lanes Project on Olive Avenue from Samrose Drive to City Limits. This notice is to, inform neighbors, businesses, and residents in the area with the project scope, schedule of work and effects on traffic and parking.

The project will begin August 01, 2016 and continue to October 2016. All work for this project will occur during daytime regular working hours are 8:00 AM - 5:00 PM. In the event that schedule overtime work after 5 p.m. or before 8 a.m. on Monday through Friday, or at any time on Saturdays, Sundays, or holidays, arrangements with the City Engineer will be made at least two (2) working days in advance of such overtime work. Work will be broken up into two phases Samrose Drive to Deer Island Lane and then Deer Island Lane to City Limits.

The project will require lane closures and one lane reversible vehicular traffic diversions around our work zones. Traffic restrictions will only be during working hours. For everyone’s safety please observe the temporary lane closure instructions.

Pedestrian traffic control around the active work zones, will be required. During disruption to the pedestrian paths and sidewalk areas, please observe the temporary closures and detour instructions.

Additional notices will be handed out as the work progresses.

If you have questions or issues that our field personnel cannot resolve with you, please contact Team Ghilotti’s office (707) 763-8700. The same number is used for after-hour emergencies or contact Project Foreman Joe Petroni @ (415) 444-6525.
