

CITY OF NOVATO

NOTICE OF UPCOMING OVERNIGHT / WEEKEND WORK

DOWNTOWN SMART STATION PROJECT

DEPOT LOT / GRANT AVENUE, APN 153-057-22

This notice is to inform you that the track and rail construction is scheduled to be completed this weekend. **From 7pm on Friday October 14 until 7 am Monday October 17, the contractor will be working 24-hours per day over the weekend.**

This work has to be completed over the weekend so that SMART can continue to test their equipment, trains, and safety equipment during the week, in preparation for regular service starting in December of this year.

Please take a moment to visit novato.org/downtownstation, view the project information shown for the Downtown Train Station, as project updates will be posted there.

We appreciate your patience and understanding as we get this phase of the project built.

Work is progressing on schedule, and on budget. We are just about 50% complete. The station's platform foundation concrete has been poured.

If you have any questions or comments, please contact pw@novato.org or call
