

**Notice to City of Novato Businesses and Residents affected by the
“Measure A Group 8 & 9 Pavement Rehabilitation Contract 1
Roadway Preparation and Concrete Work Project”**

Team Ghilotti, Inc. has contracted with the City of Novato Department of Public Works and Utilities to perform the Measure A Group 8 & 9 Pavement Rehabilitation Contract 1 Roadway Preparation and Concrete Work Project. This notice is to inform businesses and residents of the project scope, schedule of work and effects on traffic and parking.

The project will begin April 3, 2017 and will be completed early June 2017, weather permitting. All work for this project will occur during regular working hours which are 7:00 AM - 6:00 PM. The scope of work includes construction of ADA compliant ramps, removal and replacement of curb/gutter/sidewalk damaged by street trees, removal and replacement of street trees, pavement repairs and roadway preparation for future pavement rehabilitation. See reverse side of this notice for streets affected by this project.

The project will require temporary traffic diversions around our work zones. Traffic restrictions will only be during working hours. No Parking signs will be posted 72 hrs before work begins in an area. For everyone’s safety please observe the temporary traffic instructions.

Pedestrian traffic control around the active work zones will be required. For everyone’s safety please observe the temporary closures and detour instructions to pedestrian sidewalks and crosswalks.

If you have questions or issues that our field personnel cannot resolve with you, please contact Team Ghilotti’s office (707) 763-8700. The same number is used for after-hour emergencies.
