

CITY OF NOVATO

NOTICE OF COMMUNITY MEETING

On Thursday, February 28, 2019 the Public Works Staff will be presenting a design update for the Hill Recreation Area Central Hub project at a special meeting of the Recreation, Cultural and Community Services Advisory Commission - and you are invited to attend.

The Novato Public Works Department will be presenting a design update for the Hill Recreation Area Central Hub project at a special meeting of the Recreation, Cultural and Community Services Advisory Commission. On April 10, 2018 the Novato City Council voted unanimously to approve the proposed general scope of work. Key elements of the project include a large synthetic turf area, bocce ball and pickleball courts, additional accessible parking spaces, and expansion of on-site parking to more than double the number of available spaces. Gates & Associates (Architects) will be present to answer specific questions about proposed features/construction.

Meeting Date:

Thursday, February 28, 2019: 7p.m. - 9p.m.

Location: Hill Community Room, 1560 Hill Road
