EVENING OF BIG BAND

Can't sit still when you hear fabulous big band music? Do tunes from the 30's, 40's, and 50's take you down memory lane? Come to the Center on the 4th Tuesday of most months from 7:30pm-9:30pm. Hear the popular 16-piece band, "People of Note," play live music as you dance, tap your toes, or just sit back and listen. Coffee and cookies are served and all are invited to this evening out.
