The City Manager is the representative of the City of Novato in employer-employee relations as authorized by the City Council.

The parties have negotiated in good faith regarding wages, hours and other terms and conditions of employment of the employees in Representation Unit D; have exchanged information, opinions and proposals; and have endeavored to reach agreement on all matters relating to the employment conditions and employer-employee relations of such employees.

Both parties recognize their mutual obligation to cooperate with each other to assure maximum service of the highest quality and efficiency to the citizens of Novato.

This MOU is subject to all existing laws of the United States of America, State of California, and the ordinances, resolutions and regulations of the City of Novato. This MOU shall be presented to the City Council as the joint recommendations of the undersigned regarding matters within the scope of representation for all employees within Representation Unit D.

UNDERSTANDING AND AGREEMENTS

The following understandings and agreements shall not become effective until ratified by the City Council:

1. EXCLUSIVE REPRESENTATION

This MOU covers employees in Representation Unit D, “Nonmanagerial, Nonsworn, General Employment,” as represented by the Union, which has been certified as the recognized employee organization. The list of represented classes is set forth in Appendix A, herein.

1.1 Union Recognition

The City acknowledges the Union as the recognized employee organization and agrees to meet and confer in good faith promptly upon request by the Union and continue for a reasonable period of time in order to exchange freely information, opinions, and proposals. In order that the meet and confer process may include

adequate time for full consideration of the proposals of both parties and for resolution of any impasse, either party may open negotiations as early as four (4) months before the MOU expires.

The City's recognition of the Union as the exclusive recognized bargaining representative is extended to include employee non-managerial, non-sworn, general employment job classifications designated by the City to be appropriate for Unit D, which are created during the term of this MOU.

1.2 Authorization for Payroll Deductions

1.2.1 The City shall rely exclusively on a written certification provided by an authorized representative of the Union requesting a deduction from Bargaining Unit members' salaries or wages confirming that the Union has and will maintain individual signed employee authorizations for deductions. After providing the required certification, the Union shall not be required to provide a copy of individual authorizations to the City unless a dispute arises about the existence or terms of the authorization.

1.2.2 Except as otherwise provided, the City shall continue to deduct and remit contributions until it receives notice to change or cancel deductions from the Union, or it receives an order from a court or administrative body directing the City to change or cancel the deduction for one or more employees.

1.2.3 Based on the certification from the Union described above, the City shall deduct, the amount of Union membership dues, as well as payment of any other program sponsored by the Union as may be specified by the Union under the authority of a written certification form provided by the Union. Dues deduction for any individual shall be made only upon the written request of the Union. The deductions, together with a written statement of the names and amounts deducted, shall be forwarded promptly to the Union office, at the address specified by the Union.

1.3 Change Or Cancellation of Deductions

1.3.1 With the exception of subsection (1.2.2) above, the Union is responsible for all decisions to initiate, change, and cancel deductions, and for all matters regarding an employee's revocation of an authorization, and the City will rely solely on information provided by the Union on such matters. The City will not advise nor resolve disputes between the Union concerning the amount of contributions, deductions, or revoking authorization of deductions.

1.3.2 Dues deductions may be revoked only pursuant to the terms of the employee's written authorization maintained by the Union. The City shall

The Union shall be responsible for the defense of any claim within this indemnification provision, however, the City shall have the right to participate in, but not control, any litigation for which indemnification is sought with counsel of its own choosing, at its own expense; and provided further that the Union may not settle or otherwise resolve any claim or action in a way that obligates the City in any manner, including but not limited to paying any amounts in settlement, taking or omitting to take any actions, agreeing to any policy change on the part of the City, or agreeing to any injunctive relief or consent decree being entered against the City, without the consent of the City. This duty to indemnify, hold harmless, and defend shall not apply to actions related to compliance with this Section brought by the Union against the City.

7.4.1 General

When, after the unit member's regular work period, he/she is required by written order of Department Head to leave work where he/she may be contacted to return to work if needed within a reasonable period of time, the unit member shall receive one (1) hour pay at the overtime rate for each eight (8) hour period or portion thereof he/she is required to remain on standby outside of standard work hours and days of work and is not

called back to work. Standby is premium pay not included as hours worked in regular rate of pay.

7.4.2 Holidays

If the standby is assigned on a holiday, the member shall be receive one (1) hour pay at the double-time rate for each eight (8) hour period or portion thereof he/she is required to remain on standby outside of standard work hours and days of work and is not called back to work.

- b. In the absence of an appropriate vehicle, the member shall be paid mileage for travel to and from Novato and the member's residence if required to report to work while on standby. Mileage shall be paid at the reimbursement rate established by the IRS.

7.5 Callback

7.5.1 Four Hour Minimum

A unit member who has departed from his/her work location and is called back to work, is guaranteed a minimum of four (4) hours compensation. If the callback exceeds four (4) hours in duration, the unit member will be compensated for the actual hours worked.

7.5.2 Rate of Pay

Callback time shall be paid at the overtime rate and is not included as hours worked in regular rate of pay.

7.5.3 Start of Callback Assignments and Reporting to Work

Compensation for callback will begin once the unit member has accepted the assignment. Upon accepting the callback, the unit member will report to work without delay.

7.5.4 Meal Break

If a Callback exceeds two (2) hours and immediately precedes the start of the unit member's normal shift, the unit member will be provided a thirty

(30) minute paid meal break at the first practical opportunity. The meal will be paid in accordance with the City's travel and training policy.

7.5.5 Callback from Standby Status

If the unit member has been placed on Standby in accordance with Section 6.4 of the MOU and is required to return to work, this will constitute a Callback and the unit member will be compensated as indicated above.

7.5.6 Early Start

If a member has already arrived at his or her work location prior to the start of his or her normal shift and is asked to begin work early, he or she is eligible to receive overtime for the actual hours worked prior to the normal start time, but it will not constitute Callback and will not be compensated as described above. In this case, overtime pay for time worked will only be paid if the unit member works his or her full shift.

7.5.7 Rotation

As reasonably possible, Callback shall be rotated among unit members in the affected classification. Exceptions shall be made for specialty skills (e.g. backhoe, irrigation/sprinkler systems, special licenses).

distribution for overtime for all maintenance worker positions will occur as detailed in Appendix B.

7.8 Limitation of Overtime

It is the policy of the City to keep all overtime usage to a minimum. Overtime payment will be controlled by funds authorized in the approved budget. This policy extends to all varieties of overtime usage including holdover, callback and standby. Prior written authorization of the Department Head must be secured and communicated to the unit member.

In an emergency, if it is impossible or impractical to secure advance authorization from the Department Head, the supervisor may authorize paid overtime.

Overtime shall be compensated to the nearest one-quarter (1/4) hour. This shall apply to accumulation of all overtime during a work period.

8. SHIFT DIFFERENTIALS

8.1 Eligible Employees

The City shall pay shift differentials to unit members occupying classifications which are eligible for overtime under this MOU on the following basis:

8.1.1 Excludes 8AM to 5PM

Such a unit member shall be eligible for shift differential for all hours worked on a regularly assigned shift providing at least eight (8) consecutive hours have been worked on a shift other than the shift from 8:00 a.m. to 5:00 p.m.

8.3 Work In Higher Class

A unit member who is assigned to work in a position in a higher classification for a period of four (4) or more consecutive full regular work days shall be paid at least five percent (5%) more than their prevailing salary or at the entrance step of the range of the higher classification, whichever compensation is greater.

However, certain skill-related positions may be compensated immediately for work in a higher position where, as determined by the Department Head, the higher position requires skills different from the occupied position and that the individual proposing to work in the higher position has the skills necessary with no additional training. Work in a higher class shall only be assigned if the unit member is responsible for a substantial portion of the essential functions normally assigned to the higher class position, including, but not limited to, actively managing unit operations and supervising the staff that report to the position and independently rendering judgments and making decisions typically reserved to the higher position. Work in a higher class shall not be assigned for performing routine work that does provide substantial relief to the manager or supervisor of the higher class position and it shall not be granted as part of a training program.

11.2.2 Vacation Usage

The times during which a unit member may take vacation shall be as approved by the Department Head with the approval of the City Manager, provided that if the requirements of the City service are such that part or all of a unit member's vacation must be deferred beyond a calendar year, the unit member may take vacation during the following calendar year.

Vacation time shall not be taken until earned and shall be subject to all other provisions of this MOU. Vacation may be scheduled and used in a minimum of one (1) hour increments.

11.2.3 Vacation Schedule

In the scheduling of employee vacations, Department Heads will give first consideration to employee choice. In the event of a conflict or a dispute among employees, reasonable recognition of seniority and annual rotation will be used to resolve such conflict or dispute. Authorization of use of any vacation time shall continue to be subject to organizational needs.

11.2.4 Vacation Deferral

It is the policy of the City that unit members take their normal vacation each year; provided, however, with the prior written approval of the City Manager, an unit member may take less than a normal vacation in one year and carry the balance of his/her earned time over to the next year. 12.1 General

12.1.1 Accrual

Each unit member shall be entitled to nine (9) hours of sick leave accrual with pay for each qualifying month of service.

12.1.2 Usage

(a) Employee's Illness/Injury

Sick leave with pay, up to the total number of accumulated sick hours, shall be granted by the Department Head in case of bona fide illness or injury of the unit member.

(b) Absence Leave Form

Immediately upon return to work, the unit member shall complete and submit the City's Absence and Leave Affidavit to his/her immediate supervisor. The City may determine, by reasonable

means, the validity of any sick leave usage either as a condition of continuing a unit member on sick leave status or as a requirement of returning to work. Additionally, if the City suspects a unit member is abusing or has abused sick leave, the City may require the unit member to be examined by the City's physician at no cost to the unit member.

12.1.3 Return to Duty

If a unit member has been absent for more than five (5) consecutive calendar days, or has been absent due to extenuating circumstances, he/she may be asked (at the City's discretion) to either undergo a fitness for duty physical (paid for by the City) or to provide a certificate from his/her medical doctor verifying fitness for duty.

12.1.4 Conversion of Sick Leave to Personal Necessity Leave

- (a) A unit member may convert one day of sick leave to personal necessity leave provided that the employee has a bank of at least forty (40) hours sick leave remaining after the conversion. Such leave shall be treated in the same manner as vacation leave for the purposes of reporting and scheduling, but shall have no cash value and may not accrue beyond the fiscal year.
- (b) Personal necessity leave shall be used for business of a serious nature which cannot reasonably be dealt with outside of normal working hours. This leave may be used in half (½) day increments.

12.2 Sick Leave Transfer

Unit D employees will have the ability to transfer earned sick leave to other employees in Units participating in this program, subject to the following conditions:

- 12.2.1 The transferee shall have or shall expect to have a total accrued sick leave time of less than twenty-four (24.0) hours at the time of the transfer.
- 12.2.2 No one can, by use of this transfer, reduce his or her accrued sick leave to less than forty (40.0) hours.
- 12.2.3 All such transfers shall be approved by the Assistant City Manager.
- 12.2.4 All transfers shall be anonymous to the transferee.

12.3 Bereavement and Special Sick Leave

Up to three days will be granted for bereavement leave requiring travel of 200 miles or less. Up to five days will be granted if travel of more than 200 miles is required.
- 12.3.2 Bereavement leave, or special sick leave in case of death or serious illness of other persons, may be granted only upon approval of the City Manager.
- 12.3.3 Special sick leave, but not Bereavement leave shall be charged against accumulated sick leave.

12.4 Sick Leave – Conversion at Time of Retirement

Accumulated sick leave will be credited to unit member's length of service upon retirement from the City of Novato and will become a part of the calculation upon which PERS retirement benefits are established.

12.5 Doctor/Dentist Visits

Sick leave may be used for doctor or dentist visits or to obtain medical or dental care, subject to advance approval by the Department Head.

13. INDUSTRIAL ACCIDENT LEAVE

13.1 First Five Days

In cases where Worker's Compensation is not immediately payable, the City will provide full pay, without charges against sick leave, during the first five (5) days off work and any portion thereof, following an industrial accident.

13.1.1 This payment will be provided if the City determines that:

- (a) The accident is, in fact, work related.
- (b) Time off work is necessary as determined by City's physician.
- (c) The duration of the time off work is necessary as determined by City's medical examiner.

13.1.2 Any compensation insurance payments received by the unit member, except for payments received for permanent or partial disability not

associated with current injury, shall be deposited in the City treasury for this five (5) day period.

13.2 After First Five Days

After the first five (5) days, or if not in conformance with the above criteria, accumulated sick leave shall be applied to time off work following an industrial accident in a proportionate amount which, when added to Worker's Compensation benefits, provides compensation benefits equal to eighty-six percent (86%) of the employee's wage or salary.

13.3 Choice of Physician

The unit member has the right to notify the City, in writing, prior to an injury, of his/her choice of physician should the unit member be injured. If the unit member does not make this prior notification, the City has the right to require that the treatment be provided by a City designated medical examiner during the first thirty (30) days after the injury in accordance with Sections 4600 and 4601 of the Labor Code. This does not preclude the unit member from seeking emergency treatment from a physician of the unit member's choice, or from being evaluated by a doctor of the unit member's choice even while under treatment from the City's medical examiner. In such circumstances, other than in emergency situations, use of a personal physician would be at unit member's expense.

If the unit member is still in need of medical care thirty (30) days after the work related and reported injury, the unit member has the right to be treated by a doctor of his/her choice.

13.4 Length of Leave

Industrial accident leave shall begin on the first day of such absence and shall continue for the length of the approved medical leave. When a unit member is on industrial accident leave status and such industrial accident leave time due the unit member has been exhausted, subsequent leave of absence shall first be charged to sick leave accruals, then to compensatory time accruals, and then to vacation accruals. An exception shall be made if such would cause a unit member to lose vacation which could not be carried forward.

13.5 Continuation of Medical Benefits

The City will continue its contribution for medical benefits for a period of up to eight (8) weeks per event for unit members on leave without pay status as the result of on-the-job injuries or illness.

13.6 Safety Incentive Program

The City and Unit D agree to participate in a safety holiday incentive program with the goal of reducing workers' compensation costs. This program is established for Facilities Maintenance Leadworker and Maintenance and Custodial employees. Clerical employees are not eligible for the Safety Incentive Program.

13.6.1 Employees of the Maintenance Worker and Custodian classifications will be placed in one of three sections:

- Parks and Landscaping
- Streets
- Custodian and Maintenance Specialists

13.6.2 If all employees within the Maintenance Worker and Custodian classifications in a designated section complete six (6) months without a work-related injury or illness resulting in more than one-half day ($\frac{1}{2}$) of lost time, a "Safety Holiday" will be granted to all employees of that section.

13.6.3 For part-time employees in these sections who are eligible for benefits, the holiday will be prorated. The safety holiday can only be taken in full one (1) day intervals and must be taken within six (6) months of the award; provided, however, that the time may be extended with approval of the Assistant City Manager. The day may be taken as a day off for the whole section or as an individual day off, subject to the approval of the Department Head.

13.7 Light Duty Assignments

The Maintenance Division will provide light duty work assignments, if available, to qualified employees as a method for facilitating the injured employee's return to work. Possible light duty work assignments are listed in Appendix C. This list is intended to aid discussion between the City and the employee about opportunities for light duty assignments. It is not intended as an exhaustive or exclusive list and does not limit the parties' discussion in a manner that is inconsistent with state and federal law.

13.7.1 The duration of the light duty assignment will depend on a number of factors, including whether the employee is demonstrating reasonable progress toward returning to full duty by a lessening of work restrictions.

13.7.2 To be eligible for a light duty assignment:

- (a) The employee must have a release from a physician. The release must clearly state any work restrictions. The City reserves the right to use its own physician.
- (b) Assignments are made by the Supervisors.

14. SPECIAL LEAVE

14.1 Miscellaneous Leave With Pay

A unit member shall be granted leave of absence with full pay for:

14.1.1 Jury service;

14.1.2 Subpoena of him/her as a witness; or

14.1.3 Attendance in court resulting from his/her official duties as assigned by the City Manager.

Paid leaves of absence will not apply if an absence for any of the above reasons falls on a day which is not a regularly scheduled work day, including the 9/80 day off.

Any extra compensation received by the unit member for the above (travel time exempt) shall be remitted by the unit member to the City.

14.2 Leave of Absence Without Pay

Leave of absence without pay is intended to serve the purpose of covering unforeseen or special events and where other leave balances are not available. Approval by the Personnel Director for periods not exceeding a total of five (5) days is required. Approval of leave in excess of a total of five (5) days and up to three (3) months by the City Manager is required. Leaves in excess of three (3) months and up to one (1) year require City Council approval. During such leave of absence, benefits will not be paid unless the unit member elects to reimburse the City for cost; sick leave, vacation or holiday benefits will not be accrued or paid. All leaves of absence without pay must be approved in writing.

14.3 Family Care and Medical Leave

The parties acknowledge the obligation of the City to enforce the rules and regulations set forth in the Family Medical Leave Act (FMLA) and the California Family Rights Act (CFRA).

14.3.1 Basic rights under the Family and Medical Leave Act of 1993 include:

- (a) Provide up to twelve (12) weeks of unpaid, job-protected leave to “eligible” unit members if they have worked for at least one (1) year, and for one thousand two hundred fifty (1,250) hours over the previous twelve (12) months for a full-time unit member and for one thousand forty (1,040) hours over the previous twelve (12) months for a part-time unit member.
- (b) Reasons for taking leave: to care for the unit member’s child after birth, or placement for adoption or foster care; to care for the unit member’s spouse, son or daughter, or parent, who has a serious health condition; or for a serious health condition that makes the unit member unable to perform the unit member’s job.
- (c) Options exist, for the unit member and the City to substitute certain kinds of paid leave.
- (d) The measuring period for eligibility is twelve (12) months looking backward from the day of leave.

14.3.2 The unit member ordinarily must provide thirty (30) days’ advanced notice when leave is “foreseeable.” May require medical certification to support a request for leave because of a serious health condition, and may require second or third opinions (at the City’s expense) and fitness for duty report to return to work. Requests for leave are submitted to the unit member’s Department Head for approval and reviewed by Personnel for consistency with the law prior to approval.

14.3.3 For the duration of the FMLA leave, the City shall continue to provide group health insurance to the same extent that coverage is provided while the unit member is on the job. The City can recover premium costs if the unit member does not return to work.

14.3.4 Upon return from FMLA leave, most unit members must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

14.4 Special Leave Days

Effective the first full pay period following ratification by the Union and approval by the Novato City Council, each unit member who was employed by the City on

15. PROFESSIONAL LEAVE

15.1 Eligible Unit Members

In recognition of the irregular hours and time required by employees in professional positions in the Planning Division who are exempt from overtime provisions, a professional leave program was established effective July 1, 1975.

15.1.2 These positions are exempt from Fair Labor Standards Act provisions for overtime. It is understood that by virtue of their assignments, professional employees are non-time related and that work hours other than the normal work day are a reasonable requirement of the professional classifications.

15.2 Pay in Lieu

If, in the judgment of the City, it becomes practical to pay for time spent beyond the customary work week, such compensation will be one and one quarter (1-1/4) times the base rate of pay.

15.3 Limit on Accrual

A cap of eighty (80) hours of professional leave is allowed and may be carried beyond the established work period. This cap was established to recognize work demands.
